

# GLOBAL ADVANCEMENT PROGRAM ADVANCE YOUR EDUCATION THIS SUMMER!

Receive academic credit while studying at an incredible American university in one of the best cities in the US! University of Illinois Chicago welcomes you to take advantage of the Global Advancement Program – Summer (GAP Summer). Choose from a variety of courses in your major or area of interest. Through your entire journey UIC Programs for International Partnerships (PIP) will provide support to help you explore Chicago and discover what makes it a truly international city.

## 2024 PROGRAM DATES

May 13 – June 7 (4 weeks)  
June 10 – August 2 (8 weeks)  
Students can sign up for one or both sessions

## REQUIREMENTS

- Participants must be university students in good academic standing
- Students will join UIC in F-1 visa status
- For international students currently at US universities in F-1 status, PIP will provide guidance on transfer of status.
- A TOEFL or IELTS score is needed to apply for GAP Summer, however, if one is not available, PIP can provide an online English language evaluation at no charge.

For more information about GAP Summer, including course offerings, tuition and fees, and application information, please contact **UIC Programs for International Partnerships** at [PIP@UIC.EDU](mailto:PIP@UIC.EDU).

# Course Offerings

In our past programs, students have selected courses from a number of popular fields of study to fulfill the academic requirements of their home universities and to expand their knowledge. Below is a sample list of these courses. Upon completion, all students receive an official UIC transcript.

# Why Chicago and UIC?

## BENEFITS

- Pay in-state tuition and fees (making it lower than other US universities!)
- Study with nationally recognized faculty
- Flexible class schedules
- Optional professional communication course through UIC Tutorium
- UIC provides a health insurance option to all enrolled summer students
- Free academic tutoring available across campus by department and sometimes by subject

## HOUSING

- On-campus housing is available in the newest residence hall, the ARC, that is located right on campus with state of the art facilities and an onsite Starbucks
- Off-campus housing is plentiful, and can be sought via UIC's off campus housing website. PIP will be available to offer information and assistance

## CHICAGO

- UIC is located in the heart of the 3rd largest city in the US near Lake Michigan, Millennium Park, Navy Pier, and many museums
- Summer has amazing events:
  - Music festivals like: Lollapalooza and Sueños Music Festival
  - Professional athletic events
