

PROGRAMS FOR INTERNATIONAL PARTNERSHIPS

Application Guide for UIC/PIP Programs Engineering Programs

Please read the instructions below carefully. This guide tells you what information you need to gather to successfully complete an application for the PIP College of Engineering Contract Program. All documents are required, and failing to provide the requested information may result in a delay or rejection of your application.

1. Application Fees: The application fee for undergraduate students at UIC is \$60 and for graduate degree-seeking students is \$70. In addition, a mandatory, non-refundable \$100 International Credential Evaluation Fee (ICE fee) is assessed for all degree-seeking applicants who have post-secondary coursework taken outside the United States. Payment of the fee will need to be completed at time of application.

2. Personal Information: All applicants must be prepared to provide their information in English: given and family name, birthdate, home and school mailing address, email address, legal gender, country of citizenship, country and city of birth, home university information, and the UIC program you are applying for and term you would like to start.

3. Academic Credentials: Applicants must submit all the transcripts of your undergraduate work as well as postbaccalaureate/graduate course work if any. As part of your application documents, please submit the PDF file of your official transcript in both Chinese and English versions (degree certificate/diploma if any) with red stamps on them. You must provide both Chinese and English versions of all the documents. Documents must be issued by the school with the official red stamp. For the applicants of MS degree-seeking students (4+1.5 and MS programs), you will also need to submit all original academic documents with red stamps on them in a sealed and stamped envelope to PIP office within the first month of your program start.

4. TOEFL/IELTS Score and ELPA test:

1) 3+1/3+1+1 Programs:

A TOEFL or IELTS score is not required for the application to 3+1/3+1+1 the first year of the programs. However, if you have taken the exam, you can include a copy of your test results.

2) Master's Programs (MS 4+1.5 and MS exchange programs):

English Proficiency Test Score Submission

a) TOEFL scores must be reported to UIC directly from ETS.

Using **Institutional Code 1851**. All programs can access the test scores regardless of department code, if the UIC institutional code is used.

b) IELTS results must be delivered to our Electronic Download account by the IELTS test center. Please contact the test center directly where you took the IELTS test and request that your test scores be sent to our E-Download account using the IELTS system with the following information:

Institution: University of Illinois at Chicago

Department: Office of Admissions

Address: 1200 West Harrison Street

Address 2: Suite 1100

City: Chicago

State: IL

Zip: 60607

<https://admissions.uic.edu/undergraduate/requirements-deadlines/international-requirements>

c) ELPA (UIC Tutorium English Assessment): UIC Tutorium offers an assessment that will be accepted by UIC. Please contact Prof. Derong Liu (derong@uic.edu or derongliu@gmail.com) first and then email Lina Luo (lnluoqb@yahoo.com or lluo1@uic.edu) for ELPA test registration. (Learn more about the UIC TIE Assessment, please visit: <https://tie.uic.edu/esl-programs/testing-services/>)

5. Resume: All students are required to submit a resume.

6. Personal Statement and Recommendation Letters: Students applying for a master's in chemical, mechanical, industrial, or biomedical engineering, or bioinformatics are required to submit a personal statement and three letters of recommendation. Please refer to individual major websites or contact department admissions for more information on the required content.

Restriction on RA/TA/GA for Students of Contract-based Programs

Note: Since the cost of the program is already reduced based on the partnership arrangements, you are not eligible to receive any financial assistance from the University during your course of study in this program and until your program/degree has been completed, including but not limited to financial aid, stipends, graduate assistantships, and tuition waivers. Students may be eligible for part-time on-campus employment that does not include tuition and fee waivers or a tuition reduction. To learn more about other student employment restrictions and permissions on an F-1 student visa, please visit the Office of International Services for more information: https://www.ois.uic.edu/students/current/f-1_student_employment
